April 2018

## After school clubs and Summer

Gardening and football clubs are continuing as normal. Running club starts on Monday 23rd April and Gymnastics on Thursday 26th April. All other clubs will issue letters early next week.

Please make sure all children have sun-cream and sunhats as the weather is now warmer, long may it last!

Next week is The Big Pedal. Like last year the children can come on scooters, bikes etc. A tally of children from each class using one of the above to get to school will be kept to see which class is overall winners for the week.

## Class Assemblies

4th May	5B
11th May	Parrots
18th May	3L
15th June	4H
22nd June	Penguins

Acting Headteacher: Mr T Coleman

20/04/2018

Dear Families,

What a week I've had as the Acting Headteacher of your school. I've been very busy learning names and getting to know your children. I've had great fun leading assemblies and singing with the pupils. I've taught some Year 6 maths and joined events such as the weekly Family Time; which really impressed me. I saw younger pupils sharing their ideas with older pupils and everyone respecting this important time together. I notice this school is really good at encouraging pupils to care for others.

We've been lucky to have some beautiful weather, so I've often been outside to join Hopscotch and our Nursery and Reception pupils in their wonderful outdoor areas. Follow the life of the school on [Twitter@Cambridgesch](https://twitter.com/Cambridgesch).

On Friday we celebrated the achievement of our young musicians who performed recently at the South Cumbria Music Festival. Our violin group even picked up an award! Families joined us at the assembly to hear the children play. We are very proud of them all.

**Star of the Week** families also joined us for our Friday Achievement Assembly. If you're new to school then please do make every effort to see your child receive their Star of the Week Certificate and join me, Mrs Griffiths and Peter Kent, our Chair of Governors, for refreshments afterwards.

I'm very proud to be your Acting Headteacher for the next two terms and hope I will get to know you over this period. I have met some parents and grandparents on the school gate but I am keen to meet you all; so do please come over and say hello.

*Yours Sincerely*

*Mr Coleman*
