

CAMBRIDGE PRIMARY SCHOOL

WEEKLY CATCH UP

Value of the Month— Diversity

24th January 2020

Dear Parents, Carers and Children

We had a great start to the week this week, welcoming M and M Productions with their performance of 'Snow White'. As usual, the children joined in singing, booing, hissing and cheering.

On Wednesday Y5 visited Furness Academy for a Sports transition session. The children had a wonderful time and got their first real glimpse of what secondary school is like.

We have recently reviewed our Medicines policy which means some changes to paperwork and procedures. All parents/carers of children who regularly use prescribed medicines (including inhalers, lotions and creams) will be asked to complete a new form for our records. We will continue to record when this medicine is administered.

Any prescribed medication to be administered in school time MUST be brought to school IN THE ORIGINAL BOX stating the child's name and dosage. Expiry dates of ALL medication will also be checked.

Please understand that any changes are to safeguard both children and staff, not just to be a nuisance.
