

CAMBRIDGE PRIMARY SCHOOL

WEEKLY CATCH UP

Value of the Month— Courage

3rd July 2020

Dear Parents, Carers and Children

It has been another busy week in school as we move to the last few weeks before summer. Please, if you have not already done so, make sure that you have applied for free school meals if you wish to receive the free school meal vouchers over the summer holidays—£90 per child. I will be processing these on Friday 10th July.

As we near the end of the school year, it is inevitably time for some members of staff to move onwards in their careers. This year, we will say 'goodbye' to Mrs Parton, who has been teaching in Y3 this year and Miss Anderson who has been teaching in Nursery in the mornings. It has been lovely to see them blossom into confident teachers and I am, personally, very grateful for the flexibility and commitment they have shown to school over the last few months during these very strange times. They will be forever welcomed as part of our Cambridge family and we wish them all the very best for their future careers. Mrs Rebello, of course, will leave temporarily to have her baby which is due in August. We wish her a fabulous time with the new baby.

While we say 'goodbye' to some, we will welcome two new members of staff who will join us full-time in September. They have already been helping the children in school as members of the Y2/3 bubble over the last few weeks but Miss Ella Lewis and Mr Ryan Sharkey will join our team as Y3 and Y4 teacher in September. We are looking forward to working with them next year.

Guidance was released yesterday about schools opening in September and we have lots of details to organise. We are hoping that we will see all children from 2nd September although I am sure that things will be a little different than they have been previously. I have to commend all of the children who have been back in school so far—they have been raring to get back; eager and enthusiastic to get stuck into learning; polite and respectful of the changes we have had to make. Whatever comes our way, please be assured that we will always 'go the extra mile' to make sure that our children are safe and happy in school.

Are you concerned about a child?

We are all living in unprecedented times, it is really important that we look out for each other and support each other in our communities.

This will be a difficult time for lots of families, and families may be making different care arrangements for their children. Families may experience added stress and pressure at this time, with added financial pressure or isolation from support networks. These issues can add a great burden onto families and children and young people could be at increased risk of harm during these times.

If you are concerned about a child or young person who you believe might be at risk of harm, please contact:

**The Multi Agency Safeguarding Hub on 0333 240 1727
or NSPCC 0800 800 5000.**

If you believe a child is at risk of immediate danger dial 999 and speak to the Police.
