4th September 2020

Dear Parents, Carers and Children

It has been so lovely to see the school almost 'back to normal' over the last few days. I am thrilled that so many of you have made the decision to send your children back into our care. Believe me, the school has not been the same without everyone in it and it is wonderful to see each and every child. The children have come back happy, chatty and eager-to-learn. It has been a little different settling back into our new classrooms with new routines and rules to follow, but everyone facing these little challenges with energy and enthusiasm.

Thank you for your patience with dropping off and picking up. It is inevitable that there will be lessons to be learnt and problems to be solved as we go through the next couple of weeks but I am confident that, as things settle, we will find a balance that is right for us all.

Over the page there are a couple of extra details about the beginning and end of the school day. Please read them carefully. We fully appreciate, and are ready for the fact, that children will siblings may be early or late. Please do not worry too much about this. We are prepared to be flexible given the circumstances at the moment.

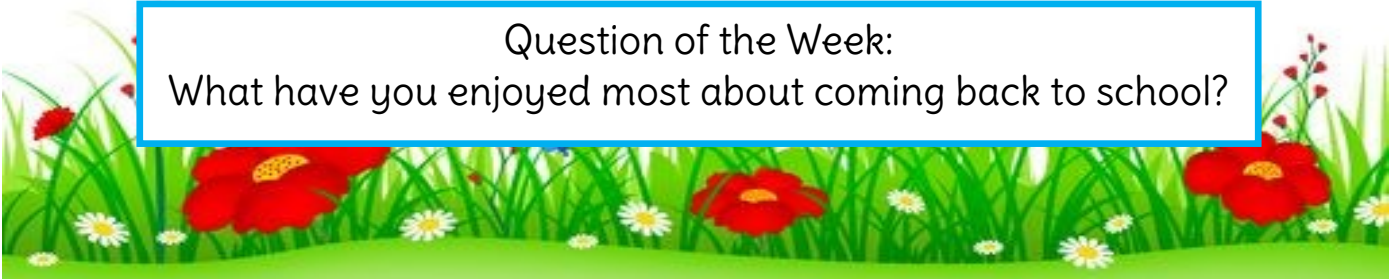

As staff are not able to discuss things as we normally would with parents at the school gate, we are keen to share pictures and what we are doing on our Facebook and Twitter pages. Next week we will be sending out a letter to update contact details and permissions. Please return this as soon as you can.

We have had a couple of whole school virtual meetings to say hello to each other, and to celebrate what we are doing in school. Well done everyone—staff, parents and children—for making the return to school so successful.

Mrs Lavery
